

Sequim is located on Washington State's Olympic Peninsula, cradled in the "rain shadow" of the Olympic Mountains and Olympic National Park. The Sequim-Dungeness Valley has a perfect microclimate for growing lavender and is similar to the Provence region of France, earning Sequim its recognition as the Provence of North America.

The Sequim Lavender Farmers Association is a Washington State nonprofit corporation.

Welcome to Sequim and our world famous Lavender Farms

It's not your usual Faire, it's 7 Festivals in 1 Faire!

Immerse Yourself in the Essence of Lavender

The Sequim lavender movement began in 1995 when a group of passionate farmers sought to restore the agricultural heritage of the fertile Sequim valley. Today, the Sequim Lavender Farmers Association grows and supports the production of premium quality lavender on family-owned farms. These dedicated farmers are working toward a common goal of preserving and promoting lavender in the Sequim-Dungeness Valley and making Sequim the world-wide destination for lavender lovers. Through their passion and dedication, the sweet smells of lavender in the valley have given the farms international acclaim.

Experience 50 acres of lavender farms, more than 100,000 lavender plants in the ground, 100,000 lavender plants for sale, 200 crafts/merchant booths, 80 workshops and demonstrations, 23 food booths and wine gardens, over 100 musical performances, 30 nonprofit organizations, and more! Our farmers have more than 100 years of lavender growing experience to share with you.

Getting To and Around the Faire

Our distinctive purple and gold signs and purple flags will identify our member farms* throughout the valley. **We have 6 Farms on Tour, and you can drive to each farm or take the free shuttle from Lavender in the Park!**

If you're coming from the east, you'll pass one of our farms, Sunshine Herb and Lavender Farm, on the left. Drive about 10 more miles and exit onto Washington Street. Just past Blake Sand & Gravel, turn right onto Blake Avenue. If you're coming from the west, take the River Road exit into Sequim and turn right onto Washington Street. At the east end of Sequim, just past QFC, turn left onto Blake Avenue.

Parking for Lavender in the Park and the farm tour shuttle buses will be on your right (\$2 suggested donation/car as a fundraiser for the Sequim High School Band). From the parking lot, a short walk or a free shuttle will get you to the Park and the Farm Tour buses. Let us do the driving while you relax and immerse yourself in the essence of lavender. If you prefer to drive, all of the farms have plenty of free parking available. (No all-day parking at the farms, please.)

**There are other lavender farms open that are not members of our association.*
